

**LOW MY LIFE.**  
CHAPTER I.  
Two thousand sick & year 800  
With bilious fever."

My doctor pronounced me cured  
I got sick again, with terrible  
pains in my back and sides, and I got  
so bad I could not move!

From 225 lbs. to 120! I had been  
sick for my liver, but it did no  
good. I did not expect to live more  
than three months. I began to use  
Bitter's.

After a few months, my painless  
system seemed general, so I  
had to take several bottles at a  
time, as well as a sovereign, half-wear  
and old before To Hop Bitters. Low

CHAPTER II.  
Feb. 5, 1886. Gentlemen—  
With attacks of sick headache."

Female, female trouble for years  
more terrible and excruciating

No medicine or doctor could give  
any relief or cure, until I used Hop  
Bitters.

The first bottle  
cured me!"

It could make me as well and  
as when a child,

and have been so to this day."

husband was an invalid for  
years with a serious

liver and urinary com-

plaints by Boston's best

doctors—"Incurable!"  
But bottles of your Bitters cured  
and I know of the

cases of eight persons"

in my neighborhood that have been  
cured by your Bitters.

And many more have been using  
them with great benefit, "using  
them with great benefit," they  
do miracles!"

**HARDENED LIVER.**  
Years ago I broke down with  
liver and liver complaint and rheu-

matism. Then I have been unable to be  
at all. My liver became hard  
like wood; my limbs were puffed up  
and filled with water.

All the best physicians agreed that  
nothing could cure me. I resolved to  
try Hop Bitters. I have used seven  
bottles; the hardness has all gone from  
my liver, the swelling from my limbs,  
and it has worked a miracle in my  
case; otherwise I would have been  
now in my grave.

J. W. MOOREY, Buffalo, Oct. 1, 1884.

I WRITE

This token of the great appreciation  
of your Bitters. I was afflicted

with bilious fever.

For years, and no medicine seem-

ed to do any.

Until I tried two bottles of your  
Bitters, and to my surprise I am  
now as well as ever I was. I hope  
you may have abundant success."

In this great and

valuable medicine:

about my cure?"
